"It has come to our age with all the freshness of a new
either lives or dies to himself, but that all men live only
and that we are literally members of one another. The
helpfulness, how to cooperate harmoniously for the att

The World Alliance is interested solely in the matter of cementing friendships between nations, by means of work through the churches. It believes that the Kingdom of God can be established in the inter-racial and international relations of men. It seeks to achieve its purposes through the following agencies and activities:

(*d*) Magazine and Bulletins.

(*e*) Correspondence.

(*f*) Cooperation with other organizations interested in similar objects.

(*g*) Visits of commissions between the different countries.

(*h*) Educational propaganda through speeches, conferences and sermons.

THE MAGAZINE

"World Friendship" is a monthly bulletin which is sent to each member of the American Council. It reports to contributors and friends the work done by the councils at home and abroad.
